Pleasant Hill Academy

THE Academy is at Pleasant Hill, on a slight elevation of the Cumberland Plateau, on the old turnpike between Knoxville and Nashville. Its location is seventeen miles east of Sparta and about five miles south of Johnson Stand, a station on the Tennessee Central Railroad, and seven miles east of DeRossett, on the N. C. & St. L. Railroad, and eleven miles west of Crossville.

The school was established as a permanent institution in the year 1884, by the American Missionary Association and is at present sustained by it.

Too great emphasis cannot be put upon the unsurpassed location of the Academy. It is a spot in which the young people can study amid the healthful, educating and inspiring influences of nature, free from the distracting and demoralizing influences of town.

The object of the school is the Christian education of its pupils and to furnish them with a thorough preparation for teaching according to advanced methods.

Music

Facilities for instruction in both vocal and instrumental music are ample. The elements of vocal music are taught

without extra charge. For practice in instrumental music there are organs and pianos.

Admission and Promotion

A chief requirement for admission is good, moral character. Applicants from other schools should furnish evidence of honorable dismissal. Credit will be given for the studies pur-

ACADEMY BUILDING--was erected in 1885-6. It contains study rooms for Normal and Grammar Grades and three recitation rooms. It will accommodate from 200 to 225 students. This building is also used for religious services, The **PRIMARY BUILDING** to the right, built in 1839, will accommodate 75 children and is a model building for a district school house.

sued elsewhere when proper credentials are shown, otherwise the usual entrance examination will be required. All students will find classes suited to their needs. It is earnestly desired, that, as far as possible, all students shall be present at the

opening of the school and follow the regular course of study as laid down in this catalog.

Upon the completion of the common English Course pupils

PIONEER HALL, to the left, was the first dormitory, erected in 1887, and first used for teachers, young men and young women, will provide for 30 boys, Treasurer and family, Music Teacher and music room.

DODDE HALL, our only brick building, named in honor of Rev. Benjamin Dodge, who raised nearly all the money for all the buildings and who superintended their construction, was erected in 1865-6. It contains the principal's rooms, library and accommodations for about 50 or 60 boys.

will be entitled to certificates, and to diplomas on completion of the Normal and Classical Courses.

The standard of excellence is one hundred per cent; seventy-five per cent allows promotion. This allows all who are reasonably faithful in their work to go forward in their studies

and secures that grading of classes, which is essential to any high standard of work in the class room.

Library

Through the benevolence of friends in the North, we have a library of over one thousand volumes, including encyclopedias. These are exerting a silent but powerful influence, which more than repays the generous donors.

Literary and Social Advantages

All the teachers recognize the fact that their work and responsibilities are not confined to the school room. They constantly exert themselves to make student life pleasant and profitable.

The students and teachers support a literary and debating society, which during the past years has been well sustained, and its influence has been most beneficial to the young people.

Religious Privileges

The influences of the school are decidedly Christian, though not sectarian. The study of the Bible is considered fundamental, and is, therefore, made a regular exercise.

On Wednesday evening a weekly prayer meeting is supported by the teachers and students. An active society of Christian Endeavor, by its Sunday evening meeting and its training in individual work, has been most helpful in promoting the Christian growth of the Academy.

Regulations

The government of the school is such as is needful for the

good of all; and the ultimate end of all discipline is to aid in establishing habits of thoughtfulness, self control and courtesy. No student who is unwilling to meet these requirements, or

GIRLS HALL or WHEELER HALL was erected in 1890. It contains reception rooms, writing rooms, dining room, kitchen and rooms for about 50 girls.

who seems to lack appreciation of the benefits received, can expect to be retained.

Students are held responsible for any damage they may do Academic property. Students are required to attend the regular Sunday school and church services on the Sabbath, and daily chapel exercises. Absence during the term will be allowed only to a limited extent. Terms open on Tuesday to avoid the necessity of students coming in on Sunday.

No fire arms, no use of intoxicating liquors or tobacco in any form, and no profanity will be allowed in or about the school buildings or grounds.

Students desiring to work to meet expenses should correspond with the Principal before coming.

No work will be given students who persist in the use of tobacco.
