## ATHLETICS

With the coming of Coach Harvey N. Lance to Pleasant Hill Academy this year to head the Physical Education Department, athletics have leaped to the front. Under his leadership the Football Squad developed into the most powerful athletic machine the Academy has ever had.

Coach Lance is a man of whom Pleasant Hill Academy is proud. He has inspired every boy and girl on his teams with a determination to win, and to win squarely. Notwithstanding his insistence on hard work, his students love and admire him. He has become essential to the success of the Department of Athletics.

From the standpoint of games, the Football Team has made a good record. Seven games were played, and only two were lost, and those were two of the best teams in Tennessee. The goal line was not crossed, except by those two teams.

The games were as follows:

Pikeville -----	0	P. H. A.-----	8
Smithville -----	0	P. H. A.-----	39
Livingston -----	0	P. H. A.-----	20
Cookeville -----	0	P. H. A.-----	13
Hume-Fogg -----	32	P. H. A.-----	0
Dunlap -----	0	P. H. A.-----	45
McMinnville -----	32	P. H. A.-----	6
Total-----	64		131

The boys were not so successful in basketball. This was due to some of the players being kept from the games on account of influenza. However, they won most of the games.

The Girls' Basketball Team enjoyed a most successful season. The team was the best Girls' Team Pleasant Hill Academy has ever had. The games were as follows:

BOYS		GIRLS	
P. H. A.-----	16	P. H. A.-----	36
C. M. S.-----	78	C. M. S.-----	4
P. H. A.-----	43	York -----	13
Crossville -----	31	C. M. S.-----	6
York -----	31	York -----	14
C. M. S.-----	22	Melvin -----	8
York -----	16		
Melvin -----	17	Total-----	161
Total-----	123		45

We hope to have a successful Baseball Team.

## THE BOYS' AND GIRLS' GLEE CLUBS

The work of the Glee Club for the past two years has been under the direction of Mr. Bradford W. Newcomb, Head of the Music Department. Much intensive work has been done, and the work of some of the best composers has been studied. Much credit should be given to Miss Mary H. Richardson and Miss Ruth Balcome for their able and efficient help.

The work of the first semester centered around a cantata, "The Childhood of Hiwatha," by Wilson, which was given early in December. The work of the second semester was of a general nature, in preparation for the home concert, which came on the evening of April 20. This concert was repeated at Crossville and Chattanooga. During the visit to Chattanooga the clubs sang over the Station WDOD to many delighted listeners. Miss Nannie Beryl Beam and Miss Sallye Brogden assisted on the program as piano and vocal soloists, respectively.

### MEMBERS

**First Row** (left to right): Rosetta Hyder, Arthur D. Phillips, Evalena Sherrell, Milton Roy, Nannie Beryl Beam, George M. Phillips, Jr., Alla Mae Clouse, Eugene Cole, Nannie Mae Randolph, and Miss Mary H. Richardson, Assistant Director.

## SAMUEL DOAK LITERARY SOCIETY

---

The Samuel Doak Literary Society was organized in the spring of 1928. This Society is a substitute for the Euterpean and Phi Beta Delta Societies of former years. A constitution was formally adopted. Meetings are conducted under Robert's Rules of Order.

New members were received into the Society after the first month of school. A social reception was held at the time.

This Society has charge of Chapel exercises on Friday every other week, alternating with the James Robertson Society. The programs have been interesting, ranging in subject matter from things of a humorous nature to the highest type of literary productions. They have been sponsored by the various faculty members during the school year 1929. The main interest of the year was a play, "Mammy's Little Wild Rose," successfully presented as a school entertainment.

A different phase of the work of the Society is shown in the Lincoln Day Offering, a gift to the American Missionary Association.

Beside the things mentioned, the Society has heartily indorsed many worth-while student enterprises. Among these was the participation of one of our leading members, George M. Phillips, in the oratorical contest held at Cookeville, Tennessee. Mr. Phillips won second place in the contest on the subject of "Citizenship, America's Greatest Asset."

This Society is only one year old, but has proved to be a very outstanding student activity, and we hope to see it progress from year to year.

---

## THE JAMES ROBERTSON LITERARY SOCIETY

---

The James Robertson Literary Society was organized early in the spring of 1928.

Officers were elected at the close of the Spring Term of 1928 to take office at the beginning of the following school year: President, Conley Phillips; Vice President, Nannie Beryl Beam; Secretary-Treasurer, Veta Collins; Chairman of the Program Committee, Ray Brady.

Under the sponsorship of Mr. Harvey N. Lance, the Society has enjoyed a very successful and progressive year. The subjects have ranged from "Farming of a Better Nature" to "High Points in Literature" and "Current Events." A very interesting program was given by the Home Economics Girls. Another was a dramatization of "Young Lochinvar." The subject of another meeting was "The Observance of Good Friday." There was a State program on "The Importance of Better Farming," illustrated with a "Trial by Jury." Two programs are given each month.

At the close of the Fall Term the following officers were elected to hold office until the close of the school year: President, Beulah McCormick; Vice President, L. B. Martin; Secretary and Treasurer, Mabel Smith; Chairman of the Program Committee, Ulysses Ervin.

The Society is proud of the fact that two of its members, L. B. Martin and Ray Brady, formed a debating team which entered the preliminary contest of the Tennessee Inter-scholastic Literary League at Cookeville.
