FOREWORD

Many times you have walked this stone path to Hopkins Hall. To some it has meant the path of success. To others it meant nothing because they did not take advantage of what Pleasant Hill School offered to them. To which group will you belong, when in later years, you once again turn the pages of your 1958 HILLTOP, and look on a scene once so familiar?

The sound of happy voices, the spirit of good sports, the molding of ideals and aspirations -- all blend into high school experiences.

With the sincere hope of bringing a worthy souvenir of significant days at Pleasant Hill High School to its many loyal students, the Staff has devoted many hours of work.

We feel that your satisfaction with this volume is our compensation, and with this thought the Staff presents to you the 1958 HILLTOP.
